

UPDATE: Message from GS1 Singapore CEO on COVID-19

In light of the COVID-19 situation in Singapore, the government has implemented a Circuit Breaker to minimise the spread of the virus. This Circuit Breaker will be in effect from 7 April to 4 May 2020.

In view of this, GS1 Singapore will be implementing work from home arrangements for all colleagues from 7 April to 4 May 2020. We will remain contactable via our hotline (+65 68263077), email (contact@gs1.org.sg) and video conferencing. However, you may expect some delay in our response time.

We thank all our members and partners for your continued trust and confidence in us.

Stay vigilant, safe, keep calm and carry on. Wishing all good health!

Warm Regards,
Liew Wai Leong
CEO
